NARRATIVE

The purpose of this report is to document the publicized "Shut Down O'Hare" protest event on September 3, 2018, at approximately 11:00am and subsequent arrests made in connection with this event, which took place in the general vicinity of the Ramp: Cumberland southbound to I-90 westbound.

The Illinois State Police, with the assistance of the Chicago Police Department and other law enforcement agencies (Detailed in ISP OPS Plan), conducted a security detail to prevent the illegal access to a controlled interstate on September 3, 2018. Prior to this date, an individual known as, Reverend Gregory Livingston, of the West Humboldt Park's New Hope Baptist Church communicated via the media that he and others would conduct a protest on the above date, walk onto Interstate I-90, and attempt to shut down access to O'Hare Airport.

The Illinois State Police, via Region I Command and District Chicago Command, made several attempts prior to September 3, 2018, to work out a compromise location in order for the protest to be held lawfully, but also in a safe manner. Despite the offer of different venue locations expressed, Reverend Livingston made it clear that he and his fellow protesters would make every attempt to disrupt traffic as stated previously on September 3, 2018, which was also a holiday, Labor Day. The Illinois State Police developed an Operational Plan, which accounted for the allocation of resources in response to this publicized protest, and on September 3, 2018, effected that Operational Plan.

The primary location for this protest was the Ramp: Cumberland southbound to I-90 westbound, however, the Illinois State Police (District Chicago) and additional resources were assigned to various locations relative to the proximity of O'Hare Airport and for the purposes of Traffic Control as needed, as well as, the enforcement of illegal access to the Interstate as appropriate. The Illinois State Police Crowd Control Team (CCT) was the primary front line to preventing access at the ramp location noted above and in that general area where the protest was occurring.

Once the protest group moved to the ramp area, at approximately 11:30am, the CCT made multiple announcements advising the protesters that their actions of entering onto the ramp were illegal and to disperse and leave or that they would be arrested. In addition, during these multiple announcements, the CCT verbally advised the protesters that they were allowed to gather in the grassy area in the Northwest corner of Cumberland Avenue and Higgins, which was the designated area that ISP had communicated prior would be an area for the protesters to hold a rally.

The protesters, a small group of approximately 40 or so and led by Reverend Livingston, proceeded to move forward in a physical manner and into the CCT skirmish line that was formed across the ramp. At this time, not heeding the multiple verbal warnings from the CCT, the CCT began to effect arrests, and the following are the subsequent arrests made:

Gregory S Livingston

Nancy K Goodman

Frank L Coconate

Charles E Ryan

Shannon E Cameron

David L Cannon

Mary Shapiro

Roger Klose

Daniel S Weinberg

Thomas J Cook

Richard M Newburger

Eric Zepeda

The individuals listed above were issued e-citations for 625 ILCS 5/11-1007 (Pedestrians walking on highways), given copies of their e-citations, and were released. There were no injuries reported during the arrest process by any individual and nor were there any injuries reported during the protest itself. The protest concluded at approximately 2:00pm, with all Illinois State Police personnel and accompanying agencies clearing the protest security detail without incident.
